BRIGHT IDEAS — From IDEAS to Solutions II

Being part of a growing and changing industry like health care presented a unique set of challenges to our client. Namely, how to *modernize* a multitude of communications systems, and at the same time improve the *performance* of the workforce and *quality of life* for residents.

Memorable Quote:

"Stand up to your obstacles and do something about them. You will find they haven't half the strength you think they have."

Norman Vincent Peale

Pastor, Speaker, Author

By linking together multiple locations, centralizing systems management, and selecting a platform that allows integration with numerous existing systems, phenomenal results were achieved:

- Annual operating expenses reduced over \$125,000
- New service offerings to residents generate \$25,000+
- Employee productivity increased over 2%
